That means the GIRLS are responsible for the idea and carrying out their project. While parents and Troop Leaders can help, the project is theirs to LEAD.

Staff Contact

Junior Troop Support staff will be your main contact at the office to assist you throughout your project. They will be available to talk through any road-blocks or ideas you may encounter working on your project.

Paperwork

Keep track of all the materials, flyers and photos from your project and submit them with your final paperwork! No need to print them out, you can submit everything by email (info@gswestok.org) or deliver it to the office.

Team

The Bronze Award is a team experience! Decide as a troop to go for the Bronze, or connect with other girls in your area to create your team.

Troop/Group Volunteer

Troop leaders, volunteers, or parents can assist you as you work on your project. Remind them that you are in charge but they can be a great resource for advice.
