

Girl Scouts Forever Green Community Action Project Patch Program

Upon completion of a Forever Green project, GS-WestOK will provide the eco-friendly **Forever Green patch** to any girl who participates at no cost! The Forever Green patch has been specifically designed only using recycled materials.

What is Forever Green? Girl Scouts of Western Oklahoma is one of 36 pilot councils chosen to pilot the Forever Green program sponsored by the Girl Scouts of the USA. Forever Green hopes to show a large measurable change by Girl Scouts across the country. Go to <http://www.gswestok.org/forevergreen> for application and resources.

Girl Scouts Forever Green is aimed at improving girl's school or community in one of the 5 Focus Areas:

- Air Quality
- Water Quality
- Energy Efficiency
- Green Space
- Waste Management

The following forms must be submitted in order to receive the patches by June 15, 2010: **Submit**
