Cadette, Senior, and Ambassador Interest Projects

Girl can earn several Interest Project awards that focus on the environment. Here are some Interest Projects that can connect girls to the five environmental focus areas of the community action project. You can find other badges and activities in *Interest Projects for Girls 11–17*.

JOURNEYS:

Breathe (for Cadettes): Take a deep breath. How do you feel? What do you see? Hear? Smell? Get set to focus all your senses on air. This is one airy journey and it’s full of flair!

Sow What? (for Seniors): So, what do you hope for from your food? Great taste? Pleasing smell? Good looks, too? As you dig into Sow What? and get down to the roots, you’ll crave a whole lot more. You’ll see how your food network can serve up what’s best for Earth—and best for you!

Justice (for Ambassadors): We all know what it is. Why is it so hard to achieve? Maybe it needs a brand-new equation—your equation. On this journey, doing the math + some very sage ways = real hope for inspiring justice—for all of Earth and her inhabitants.
