9th Annual Cookies & Cocktails – Friday, Sept. 18, 2020

Enjoy one-of-a-kind bites and/or a signature cocktail created with our famous Girl Scout Cookies by local restaurants and bars! Guests will sip signature cocktails, sample treats from local restaurants, and have a chance to bid the silent auction and raffle items. Local culinary experts will judge each entry and guests will submit their votes for the best “bite” of the night.

On Sept. 18, 2020 Cookies & Cocktails will be the very first event held at Camp Trivera, Oklahoma City’s new urban STEM camp!

Camp Trivera sits on approximately 19 acres east of the Oklahoma City Zoo & Botanical Gardens, and will serve Girl Scouts, families and the community alike. From learning about aerodynamics ziplining across the lake to the OKC Zoo to testing their geological knowledge while climbing the indoor rock wall, these unique features, and many more STEM “surprises” that can be found across the property, are sure to have an impact on girls and inspire the next generation of leaders.

We can’t wait to share cookies, cocktails and our new camp with you!

EVENT & SPONSOR DETAILS

Cookies & Cocktails
Friday, September 18, 2020
Camp Trivera
